What has changed in the ways communities are mobilizing in the time of COVID-19?

How do we – communities and civil society – find our footing and effectively navigate and operate in the new "normal?"

How can communities be better supported to face pandemics such as COVID-19?

Before 2020 closes, join APCASO and partners in discussing answers to these questions and more!

WEBINAR 1

Same Missions, New Strategies? Civil Society and Community Mobilizing in the New Normal
