COMMUNITY, RIGHTS AND GENDER

IN THE TIME OF COVID-19

An Asia-Pacific Series of Regional Community and Civil Society Dialogues Towards Putting Forward Policy Recommendations for Key Stakeholders

ORGANIZED BY

APCASO
Strengthening community systems. Advancing human rights.

WITH SUPPORT FROM

UNFPA Asia & Pacific

IN COLLABORATION WITH

apcrg Communities, Rights & Gender · ACHIEVE, Inc. · Africa Japan Forum · Association of People Living with HIV/AIDS Pakistan · CARE Consortium · Jaringan Indonesia Positif · KHANA United for a Stronger Community · National Coalition of People Living with HIV/AIDS · Partnership Network Advocacy Consortium Papua New Guinea · SCDI Develop Together · स्वा: रोइड · spiritia

What does mental health mean to communities and civil society groups serving communities?

What needs to be done to better address the mental health needs of key populations, vulnerable and marginalized communities?

How can communities be better supported to have ownership of mental health services that are provided?

Before 2020 closes, join APCASO and partners in discussing answers to these questions and more!

WEBINAR 3

Mental Health of Key, Vulnerable and Marginalized Populations: A Community and Civil Society Learning Session

4 December *2020, Friday*
3:00-5:00pm, ICT/Bangkok time
